PART IV.,

"WATER CLAUSES CONSOLIDATION ACT, 1897."

WHEREAS the Southern Okanagan Power Company, Limited, has applied to His Honour the Lieutenant-Governor in Council, under section 87 of the said Act, to enable the said Company to proceed with its undertaking:

And whereas the Company has filed with the Clerk of the Executive Council the documents required by section 85 of the said Act, and the plans showing the situation of the proposed undertaking and works of the Company:

This is to certify that the said Southern Okanagan Power Company, Limited, was duly incorporated the 21st day of August, 1905, as a power and lighting company, and that the present works and undertaking of the Company, as submitted, have been approved, and the same are as follows:—

1. The construction of a dam or diversion wall at a point at the outlet of Dog Lake, in the Similkameen Division of Yale, British Columbia, at that point on the Okanagan River known as Okanagan Falls, the said wall to be built from a point on a small island known as 1101 rock, and from thence easterly to the eastern bank of the said Okanagan River, and from a point on the said rock northerly ninety-nine (99) feet or thereabouts to a point in the centre of the stream.

2. The construction of a canal, flume or ditch, or canals, flumes and ditches from the said point of diversion easterly and southerly following the line approximately of the said Okanagan River to a point one-quarter (¼) of a mile or thereabouts southerly from the said point of diversion on the eastern bank of the said river, and all roads, bridges and other works necessary therefor.

3. The construction and erection of a power-house and power plant, sufficient for the generation of electricity for the purposes set out herein, on portion of Lot ten (10) in the said District, to be acquired from the Southern Okanagan Land Company, Limited, and all necessary works incidental thereto, or in connection therewith.

4. The construction, operation and maintenance of a system for irrigation of lauds within a radius of one hundred (100) miles from the Company's proposed works, and the supply of water to farmers, owners of land, development companies, or any other persons, as the Company shall deem meet, for the irrigation of land; the laying of mains, flumes, canals along the public highways, or,

if necessary, on private property, with the right to cross and re-cross the said highways, provided, however, that the Company restore the surface of any such highways to a proper condition as speedily as possible, and that the Company take due and proper precaution for the protection of the public travelling along and on the said highways.

5. The construction, operation and maintenance of a complete lighting and telephone system in and throughout the said district, being a radius of one hundred (100) miles from the said Company's power house; the erection of telephone or light poles along the sides of the said highways with the right to cross and re-cross the said highways, and the erection of telephone poles where necessary on private property; the wires to be securely strung along the said poles not less than twenty (20) feet from the ground.

And this is to certify that the Southern Okanagan Power Company, Limited, shall have subscribed before it commences the construction of that portion of the undertaking and works specified in clauses one and two herein the sum of twenty thousand (20,000) dollars, and such capital shall be subscribed within twelve months from the

date hereof.

And the times within which the works and undertakings set forth in paragraphs one and two herein are to be commenced and completed are twelve months and two years respectively, from the date hereof.

The Company shall have subscribed before it commences the construction of that portion of the Company's undertaking and works set forth in paragraph three (3) herein the sum of thirty thousand (30,000) dollars, and such capital shall be subscribed within twelve months from the completion of that portion of the Company's undertaking set forth in paragraphs one and two herein.

And the times within which that portion of the Company's works and undertaking set forth in paragraph three herein arc to be commenced and completed are three and four years, respectively, from

the date hereof.

The Company shall have subscribed before it commences the construction of that portion of the undertaking and works set forth in paragraphs four and five herein the sum of fifty thousand (50,000) dollars, and such capital shall be subscribed within twelve months from the completion of the work set forth in paragraphs three and four hcrein.

And the times within which that portion of the Company's works and undertaking set forth in paragraphs four and five herein is to be commenced is five years from the date hereof.

And subject, as aforesaid, such application is

hereby approved.

Dated this 10th day of August, A.D. 1909.

A LL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work: the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act,shall require a Notice, clearly and distinctly specifying the nature and object of the application and. where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:-

In the British Columbia Gazette, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which

a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the ucxt preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to

the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees

paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the Honse, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval hetween the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:-Special grounds shall be established for any proposed departure from this principle, or for the introduction of other previsions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-east by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six cms by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 1034 inches by 71/2 inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901, (see Journals, 1901, page 58), a model form

of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.

Under a new rule, see Journals 7th March, 1908, in the case of Bills to Incorporate Companies, in addition to the fee of \$300 mentioned in rule 57, fees calculated on the capital of the company are payable at the same time. Further particulars can be had on application to the undersigned.

Dated 5th November, 1901.
